ANNEXURE TO DIRECTORS' REPORT Annexure - A MANAGEMENT DISCUSSION AND ANALYSIS:

Pursuant to the amended Regulation 34 read with thyw Schedule V of the SEBI (listing Obligations and Disclosure Requirements) Regulation, 2015 your Directors wish to report as follows:

a) **Industry Structure & Developments:**

Steel Industry plays a vital role in the development of any modern and emerging economy. The per capita consumption of steel is generally accepted as a yardstick to measure the level of socioeconomic development and living standards of its countrymen. Steel industry derives its demand from other important sectors like infrastructure, aviation, engineering, construction, automobile, pipes and tubes etc. Thus, its intense integration with other important industries makes it a strategic sector for the Governments as well.

The Indian steel sector enjoys advantages of domestic availability of raw materials and cheap labour. Iron ore is also available in abundant quantities, though the continued mining restrictions have put a strain on its availability as well as price. This abundance has been providing a major cost advantage to the domestic steel industry

India has left behind USA to become the world's third largest Steel producer.

Although slowdown is expected in demand for Capital Goods, Automotive, Construction and Consumer Durables are expected to show marginal growth. Positive signs are expected on back of modest recovery in economic growth. Likely Increase in Government spends in the Power sector & infrastructure push will fuel segmental growth. Also with expected decline in inflation and interest rates, demand for consumer goods is expected to show positive growth.

b) **Opportunities & Threats:**

In India, the steel Industry is passing through a challenging phase. Domestic consumption is severely affected due to lack of activity in infrastructure, as well as in the manufacturing space. The biggest challenge facing the domestic steel industry is to have the per capita steel consumption in India at par with the average global standards. The new Government at the center has, however, rekindled hope in the industry. The ambitious infrastructure projects and the thrust in manufacturing through the "Make in India" campaign are steps in the right direction. The plan for smart cities, improved road and rail connectivity by building highways, bridges and dedicated freight and superfast rail corridors have huge potential to spur domestic steel demand. Consuming sectors - construction, automobile and engineering are expected to grow in 2016- 17 fuelled by the softening of interest rates and implementation of government policies for the revival of infrastructure and investment in the country.

A better GDP forecast in 2016 supported by estimated industrial growth of 7.3 per cent would gradually increase steel demand in the country. However, the Indian iron ore mining industry is undergoing a difficult phase given regulatory intervention in various states due to which the steel producers will continue to face inadequate availability of domestic iron ore in the short term. Demand for steel is expected to improve in 2015- 16 but steel prices will remain restrained due to global weak steel pricing trend, increasing cheap imports and prevailing overcapacity with domestic producers. India also witnessed a surge in steel imports from China in 2015. Similar trend in 2016-17 continues to be a matter of concern.

The unavailability of steel plates/coils (the primary component in pipe manufacturing) is the biggest risk factor for the pipe-manufacturing industry, because majority of them are imported into India. Long gestation supplies of these materials or any subsequent delay in delivery could affect the production cycle of the business. A sharp and unprecedented increase in the cost of freight may lead to pressure on margins.

Presently, the cost of freight is calculated prior to the execution of the order. However, if this cost were to rise sharply and suddenly, the pipe-manufacturing companies could be at risk if charter rates were not tied up well in advance. There could be competition from PEC Pipes manufactures in the medium to long term. The Indian pipe manufacturers are subject to foreign exchange risk due to high

imports and exports. Any adverse change in government policies can affect the industry. Though the order of International Trade Commission(ITC) rejecting the Anti Dumping Duty and countervailing duty levied by US Department of Commerce on the company was in our favour, but one of the petitioners has filed against the order of ITC for final determination and asked for civil action against the decision of ITC. Hence, this could be a threat to the business of our company.

In According to World Steel Association (WSA) is one of the few countries to remain a "resilient" economy in the face of a "global Slowdown" because of its commitments to "reforms". Indian Steel demand in 2016 is expected to rise by over 7%. Hopefully, good showing in manufacturing, mining and electricity sectors, will be sustained to generate improved demand for steel in the months ahead.

INDEPENDENT AUDITOR'S REPORT

To the Members of ZENITH BIRLA (INDIA) LIMITED

Report on the Financial Statements

We have audited the accompanying (Standalone) financial statements of **ZENITH BIRLA (INDIA) LIMITED** (“the Company”) which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these (Standalone) financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these (Standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements

Basis for Qualified Opinion

1. With reference to Note No. 44 regarding the non provision by the Company of the interest amounting to ₹ 36.75 crores for the year and ₹ 94.97 crores upto 31-03-2016 on its working capital facilities from banks. Had this amount been provided for, the loss would have been higher by ₹ 36.75 crores and the secured loans would have been cumulatively higher by ₹ 94.97 crores.
2. The Company has not complied with the provisions of the section 74 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 with regard to non repayment of deposits and interest on due date, maintenance of liquid assets to the extent required as well as not fully complying with the orders passed by the Company Law Board.
3. With reference to Note No. 42 regarding the balance of Sundry Creditors, Debtors, Loans and Advances, deposits, inter units etc being not confirmed by the parties/units and hence our inability to state whether these balance are recoverable/payable to the extent stated.
4. With reference to Note No. 49 which indicates that the Company has accumulated losses exceeding the Share Capital and Reserves and its net worth has been fully eroded. These conditions along with other matters indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said note.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, subject to the effect of the matters described in the basis for Qualified Opinion paragraph the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its Loss and its Cash Flow for the year ended on that date.

**“Annexure A” to the Independent Auditor’s Report of even date on the Standalone Financial Statements
of ZENITH BIRLA (INDIA) LIMITED**

(Referred to in paragraph 1(f) under ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2016)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ZENITH BIRLA (INDIA) LIMITED** (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

	<p>a. Details of Audit Qualification:</p> <p>i. Note No. 4 regarding the non provision by the Company of the interest amounting to ₹ 34.28 crores for the year and ₹ 90.28 crores being the aggregate upto date, on its working capital/ term loan facilities from banks during the year. Had this amount been provided for the loss would have been higher by ₹ 34.28 crores for the year and cumulatively ₹ 90.28 crores and secured loans would have been higher by an amount of ₹ 90.28 crores in the aggregate.</p> <p>i. Note No. 8 regarding the balances of Sundry Creditors, Debtors, Loans and advances, deposits, inter- units etc being not confirmed by the parties/ units and hence our inability to state whether these balances are recoverable/ payable to the extent stated.</p> <p>ii. The Company has not complied with the provisions of Section 74 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 with regard to non repayment of deposits and interest on due date, maintenance of liquid assets to the extent required as well as not fully complying with the orders passed by the Company Law Board.</p> <p>iii. Qualification No.iii is appearing for the fourth time and qualification No. iv is appearing for the first time.</p> <p>d. For Audit Qualification(s)where the impact is quantified by the auditor, Management views: The Company is trying for One Time Settlement (OTS) with the banks. Hence, it is felt prudent for not providing for interest after the accounts became NPA.</p>			

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification:

(ii) If management is unable to estimate the impact, reasons for the same:

For qualification on Note No.8 regarding balances of sundry creditors, etc, reconciliation of these accounts is an ongoing basis and the figures would be ascertained only when the reconciliation is finalised. Hence at this stage, impact of the same is not ascertainable/quantifiable.

For qualification on non compliance of section 74(2) of the Companies Act, 2013, the Honourable Company Law Board has granted an extension for repayment of deposits by its order dated 22.02.2016. Consequently, no amounts were repayable as on 31.03.2016. The Company has provided for interest payable up to 31.03.2016.

For qualification on Note No. 9 regarding preparation of accounts on a going concern basis, on account of strategic understanding with suppliers/ customers, which is continuing, the Company is on revival mode and is operating its some of the units. In view of the same going concern concept holds good.

To the Members of ZENITH BIRLA (INDIA) LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of **ZENITH BIRLA (INDIA) LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Profit and Loss Statement, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the Consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

The respective Boards of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of presentation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

1. With reference to Note No 44 regarding the non provision by the Company of the interest amounting to ₹ 36.75 crores for the year and ₹ 94.97 crores upto 31-03-2016 on its working capital facilities from Banks. Had this amount been provided for, the loss would have been higher by ₹ 36.75 crores and the Secured loans would have been cumulatively higher by ₹ 94.97 crores.

2. With reference to Note No 42 regarding the balance of Sundry Creditors, Debtors, Loans and Advances, deposits, inter units, etc. being not confirmed by the parties/units hence our inability to state whether these balances are recoverable / payable to the extent stated.
3. With reference to Note No. 49 which indicates that the Company has accumulated losses exceeding the Share Capital and Reserves and its net worth has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the said note.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, subject to the effect of the matters described in the basis of qualified opinion paragraph, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2016, and their consolidated loss and their consolidated Cash Flows for the year ended on that date.

Others Matters

We did not audit the Financial Statements of wholly owned foreign subsidiaries included in the consolidated financial statements which constitute total assets of ₹ 12628.20 lacs and net assets of ₹ (753.38) lacs as at 31st March, 2016, total revenues of ₹ 3183.45 lacs, net loss of ₹ 4.81 lacs and net cash flows amounting to ₹ 20.16 lacs for the year then ended.

These financial statements and other financial information have been certified by the management and furnished to us and our opinion on the consolidated financial statements is based solely on the certified financial statements.

Since the financial statements of the foreign subsidiaries which were compiled by the management for the financial year ended 31st March 2016 were not audited as at 31st March 2016, any adjustments to their balances could have consequential effect on the attached consolidated financial statements.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, we report, to the extent applicable, that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

ANNEXURE “A”

to the Independent Auditor’s Report on the Consolidated Financial Statements of ZENITH BIRLA (INDIA) LIMITED

(Referred to in paragraph 1(f) under ‘Report on Other Legal & Regulatory Requirement’ of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”) In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the Internal Financial Controls over financial reporting of ZENITH BIRLA (INDIA) LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Company internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on internal control over financial reporting criteria established by these Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
