# THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTEE-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- i. The remote e-voting period begins on 27th, September, 2024 at 9:00 A.M. and ends on 29th, September, 2024 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e., 23rd September, 2024 may cast their vote electronically; The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 23rd September, 2024.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

# Explanatory Statement (Pursuant to Section 102 of the Companies Act, 2013)

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 3 and 4 of the accompanying Notice:

## Item No. 3 - To Ratify Remuneration of Cost Auditor

The company is directed, under Section 148 of the Companies Act, 2013 ("Act") to have the audit of its Cost records conducted by a Cost Accountant in practice. The Board of our Company has, on the recommendation of the Audit Committee, approved the appointment of M/s. Y.R. Doshi & Co. as the cost Auditors of the Company to conduct cost audits relating to such businesses of the Company as may be ordered by Central Government under the Act and the rules made thereunder for the year ending 31st March, 2024 at a remuneration of Rs. 75,000/- p.a. M/s. Y.R. Doshi & Co. have furnished a certificate regarding their eligibility for appointment as Cost Auditors of the Company and have vast experience in the field of cost audit and have conducted the audit of the Cost Records of the Company for the past several years. The Board has approved the remuneration of Rs. 75,000/- p.a. to M/s. Y. R. Doshi & Co. as the Cost Auditors.

The Resolution at Item No. 3 is recommended for approval by the members.

None of the directors and key managerial personnel of the Company or their respective relatives are concerned or interested in Resolution mentioned at item No. 3 of the notice.

# Item No. 4

# INCREASE IN THE AUTHORIZED SHARE CAPITAL AND ALTERATION OF THE CAPITAL CLAUSE OF THE MEMORANDUM OF ASSOCIATION OF THE COMPANY.

In order to expand the capital structure of the Company and to enable the Company to issue further shares, it is proposed to increase the authorized share capital of the Company from Rs.155,50,00,000/- (Rupees One Hundred Fifty Five Crores Fifty Lakhs Only) divided into 15,55,00,000 (Fifteen Crore Fifty Five Lacs Only) Equity Shares of Rs.10/- (Rupees Ten Only) each to Rs. 200,00,00,000/- (Rupees Two Hundred Crores Only) divided into 20,00,00,000 (Twenty Crore) Equity Shares of Rs.10/- (Rupees Ten Only) each, by way of creation of an additional 4,45,00,000 (Four Crore Forty Five Lacs) Equity Shares of Rs.10/- (Rupees Ten Only) each, ranking pari passu in all respect with existing equity shares of the company. As a consequence of increase of authorized share capital of the Company, the existing authorized share capital clause (Clause V) in the Memorandum of Association of the Company is required to be altered accordingly.

The proposed increase in authorized share capital requires the approval of members of the Company under Sections 13, 61, 64 and other applicable provisions of the Companies Act, 2013, as well as any other applicable statutory and regulatory approvals. The Draft amended Memorandum of Association shall be available for inspection by the Members at the Meeting. Therefore, the Board recommends the resolution hereof for approval of the shareholders as Ordinary Resolution.

None of the Directors/key managerial persons of the Company or their relatives is interested, financially or otherwise, in the aforesaid resolution. The Board recommends the ordinary resolution as set out in Item No. 4 of the Notice for the approval by the Members.

#### Item No. 5

The Company aims to be debt free. In order to meet this objective and to enhance net worth and financial position, augment long term resources and ensuring long term viability and growth of the Company including enhancing competitiveness, it is proposed that existing debt facilities provided by the promoter group entity Tribus Real Estate Private Limited be capitalized by converting/appropriating the same into equity shares and/or warrants convertible into equity shares ('Warrants').

In accordance with the above, the Board of Directors of the Company at its meeting held on September 7, 2024, approved inter alia issue of upto 89,00,000 Equity Shares and upto 88,00,000 Warrants convertible into equivalent number of Equity Shares of the Company (Warrants) to Tribus Real Estate Private Limited, member of promoter group, by repayment/appropriation of its existing debt, by way of a preferential issue.

## MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to the amended Regulation 34 read with the Schedule V of the SEBI (listing Obligations and Disclosure Requirements) Regulation, 2015 our directors wish to report as follows:

#### (a) Indian Economy:

India is the fastest growing economy in the world. In the FY 2022-23, its gross domestic product or GDP grew by 7%. However, in the just-concluded fiscal year 2023-24, its economy has been expanding at an even faster pace. The global economy showed resilience in FY 2023-24, recovering modestly at an estimated growth rate of 3.2%, according to IMF projections. In the FY 2023-24, the GDP expanded at 7.6%. In comparison, other major economies are projected to grow at a much slower clip this year. According to the International Monetary Fund (IMF), China's GDP is expected to grow at 4.6% US at 2.1%, France at 1%, Japan at 0.9% and the UK at 0.6%. The Interim Union Budget for FY2024-25 emphasizes on infrastructure development and inclusive growth. It has allocated 11.1 Lacs Cr. or 3.4% of the GDP for capital expenditure, 16.9% increase over the previous year's estimates. The manufacturing sector has played a key role in driving India's economic expansion. With strong backward and forward linkages, it has generated employment opportunities, fostered innovation, and improved its contribution to around 17% currently. This contribution is boosted by rising investments and initiatives like 'Make in India.'

## (b) Industry Structure & Developments:

Steel is a champion industry with growing domestic demand and an opportunity to leverage the space vacated by Russia and Ukraine in the global market through exports. India remained a net importer of steel for several years. However, starting 2017, fuelled by large-scale capex projects and the National Steel Policy, the country started contributing to the global steel markets more than ever, with nearly 6.7 MnT steel exported in FY 2023-24. India is now racing to build steel capacities that meet the domestic demand and at the same time can supply to the global markets. India is thus, on its path to becoming an integral part of the global supply chain. In response to PLI Scheme announced by Government of India for specialty steel products, the steel industry is geared up to create capacity in this space.

The Indian steel industry recorded crude steel production of 160.30 MnT in FY 2023-24, despite pandemic-induced disruptions in Q1 FY 2023-24. Led by a sharp recovery in demand in developed markets and production cuts in China, steel prices rose sharply in H1 FY 2023-24 in domestic as well as global markets. Prices moderated in Q3 FY 2023-24 and have remained volatile following the start of the Russia-Ukraine crisis.

Steel production showed a solid recovery and domestic finished steel consumption continued to grow. Finished steel consumption surpassed pre-pandemic levels and was supported by the government's improved infrastructure investments. Demand from the auto sector was temporarily weak, due to the semi-conductor shortage. However, the industry closed the year on a positive note and recorded 11% growth in finished steel consumption. Domestic finished steel production rose 18.1% y-o-y to touch 113.6 MnT. Finished steel consumption stood at 105.8 MnT, up 11.4% y-o-y, driven by the government's infrastructure spending and the resumption of projects stalled due to the pandemic.

## (c) Opportunities & Threats:

In the new environment, the industry has to be steered with appropriate policy support to ensure that production of steel matches the anticipated pace of growth in consumption. Special emphasis is needed to ensure that the industry follows a sustainable path of development in respect of

environmental friendliness, mineral conservation, quality of steel products, use of technology and indigenous R&D efforts to ensure that the country can, overtime, reach global efficiency benchmarks to become a world leader in steel production technology, as well as in production of high end steel.

As the oil and gas industry is growing rapidly, the demand for steel pipes is also increasing. Features such as reliability and durability are some of the prominent factors driving the global demand for steel pipes. Steel pipes have a wide range of us ability; they are used in the automotive, mining and construction industries which drive the manufacturing steel pipe industry. The available range of steel pipes becomes one of the reasons surpassing the demand of residential and non-residential sector of steel pipes. The replacement of ageing pipelines also increases the global demand of steel pipes.

However, substitutes such as iron and plastic pipes, which create diversions for the manufacturer towards other material pipes, are estimated to restrain the market growth. The corrosive behavior of carbon steel pipes is one of the restraining factors, and the high cost of stainless steel also hinders the growth of the global steel pipe market.

The Indian steel sector is disadvantaged due to limited availability of essential raw material such as high grade Manganese ore & Chromite's, cooking coal, steel grade limestone, refractory raw material, Nickel, Ferrous Scrap etc. Due to shortage of domestic coking coal, both in terms of quantity and quality, pig iron producers/BF operators in India have to significantly depend on import of coking coal. In the recent past, multiple issues have also adversely impacted the steel sector, viz. cancellations of iron ore and coal mine allocations, delays in land acquisition, environmental clearances, which led to many of the projects facing significant cost and time over runs. Additionally, companies also faced substantially increased operating costs on account of increased logistics & raw material costs and other charges.

#### d) Segment-wise or Product-wise Performance:

Since our Company operates only in one Segment, segment-wise or product-wise analysis of performance is not applicable. But company has geographical segments; please refer Note No 42 of The Consolidated Financial Statement.

# e) Outlook:

India has consistently witnessed steel imports declining, and exports and consumption increasing, and steel capacities being created. The industry is getting increasingly competitive and catering to an ever-evolving global user industry. The future looks bright for India steel industry, with incremental growth expected across the core sectors and multiplier impact likely to be triggered across subsidiary industries. Domestic consumption will continue to be robust, and apparent consumption of steel will continue to grow. With the governments increased investments on public infrastructure, the real demand is also expected to be steady. Sectors such as appliances, housing and government projects are expected to contribute towards 7-8% growth in steel demand in FY 2023-24.

#### f) Risks & Concerns:

Though Regulation 21 the SEBI (listing Obligations and Disclosure Requirements) Regulation, 2015 is not applicable our Company has duly adopted steps for framing, implementing and monitoring the risk management plan and accordingly of our directors has put in place critical risk management frame work across the Company for identification and evaluation of all potential risks. Our Company is continuously evolving and improving systems and measures to take care of all the risk exigencies involved in the business. All inherent risks are identified, measured, monitored and regularly reported to management. The management decides measures required

to overcome these risks and ensure implementation of proper risk mitigation plans. The risk report and mitigation plans are presented to the Board of Directors periodically.

## g) Internal Control Systems and their adequacy:

Our Company has an effective Internal Control System to prevent fraud and misuse of Company's resources and protect shareholders' interest. Our Company has an independent Internal Audit Department to monitor and review and focus on the compliances of various business processes. The internal audit report along with audit findings and tracking of process improvements & compliances is presented for review to the Audit Committee of Board of Directors.

# h) Discussion on Financial Performance with respect to Operational Performance and state of Company's affairs:

The revenue from operations for the year has been Rs 14,321.66 Lakhs as against Rs. 16,405.59 Lakhs in the previous year. Revenue from operations affected due to the Company operated at lower capacity utilization due to shortage of working capital which has also impacted the profitability of the Company for the year. Production cost also pushed up due to exorbitant increase in input cost. Our Company has taken several remedial steps to meet the challenges viz. measures in saving cost at all front of operations; optimize use of available resources etc.

Detailed explanation of Ratios

# Return on Capital Employed

Return on Capital Employed (ROCE) is a financial ratio that measures a Company's profitability and the efficiency with which its capital is used. In other words, the ratio measures how well a Company is generating profits from its capital. It is calculated by dividing profit before exceptional items and tax by average capital employed during the year.

#### **Basic EPS**

Earnings per Share (EPS) are the portion of a Company's profit allocated to each share. It serves as an indicator of a Company's profitability. It is calculated by dividing Profit for the year by weighted average number of shares outstanding during the year.

#### **Debtors Turnover**

The above ratio is used to quantify a Company's effectiveness in collecting its receivables or money owed by customers. The ratio shows how well a Company uses and manages the credit it extends to customers and how quickly that short-term debt is collected or is paid. It is calculated by dividing turnover by average trade receivable.

#### Trade payable Turnover

Trade payables are any expenses incurred from vendors, suppliers or other third parties for goods or services provided in bringing their products to the customer. Trade payables are a combination of the creditor/s and the bills payable for goods purchased or services rendered.

### **Inventory Turnover**

Inventory Turnover is the number of times a Company sells and replaces its inventory during a period. It is calculated by dividing turnover by inventory.

## **Interest Coverage Ratio**

The Interest Coverage Ratio measures how many times a Company can cover its current interest payment with its available earnings. It is calculated by dividing PBIT by finance cost.

#### **Current Ratio**

The Current Ratio is a liquidity ratio that measures a Company's ability to pay short-term obligations or those due within one year. It is calculated by dividing the current assets by current liabilities.

#### **Debt Equity Ratio**

The ratio is used to evaluate a Company's financial leverage. It is a measure of the degree to which a Company is financing its operations through debt versus wholly owned funds. It is calculated by dividing a Company's total liabilities by its shareholder's equity.

#### Net Capital Turnover Ratio

Capital turnover is the measure that indicates an organization's efficiency about the utilization of capital employed in the business, and it is calculated as a ratio of total annual turnover divided by the total amount of stockholder's equity (also known as net worth) and the higher the ratio, the better is the utilization of capital employed.

#### Return on Investment

Return on investment (ROI) is a performance measure used to evaluate the efficiency or profitability of an investment or compare the efficiency of a number of different investments. ROI tries to directly measure the amount of return on a particular investment, relative to the investment's cost.

## Operating Profit Margin (%)

Operating Profit Margin is profitability or performance ratio used to calculate the percentage of profit a Company produces from its operations. It is calculated by dividing the EBIT by turnover.

Net Profit Margin (%)

The net profit margin is equal to how much net income or profit is generated as a percentage of revenue. It is calculated by dividing the profit for the year by turnover.

# INDEPENDENT AUDITORS' REPORT

To the Members of **Zenith Steel Pipes & Industries Limited** (Formerly known as Zenith Birla (India) Limited)

Report on the Audit of the Standalone Financial Statements

# **Qualified Opinion**

1) We have audited the accompanying standalone financial statements of Zenith Steel Pipes & Industries Limited (formerly known as Zenith Birla (India) Limited) ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the material accounting policies and other explanatory information (herein after referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, subject to the effect of the matters described in the Basis for Qualified opinion paragraph below the aforesaid standalone financial statements give the information required by the Companies Act,2013 ("the Act") in the manner so required and give true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, the loss and the total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

- 1. The Company has not complied with the provision of section 74 or any other relevant provision of the Act, and the Companies (Acceptance of Deposits) Rules, 2014 with regard to non-repayment of deposits and interest, on due date, maintenance of liquid assets to the extent required as well as not fully complying with the orders passed by the Company Law Board.
- 2. With reference to Note No 43 regarding the balance of Trade Payables, Trade Receivables, Loans, Advances, Deposits, intergroup, current liabilities, borrowing from others etc. being not confirmed by the parties due to pending reconciliation the management has not sent direct confirmations to parties and hence our inability to state whether these balances are recoverable /payable to the extent stated.
- 3. The Company has made a provision of Rs. 41.07 lakhs in respect of certain current bank accounts maintained with various banks, which have been frozen by regulatory authorities. In the absence of bank statements and year-end balance confirmations, we are unable to comment on its impact, if any, on the books of account. (Refer note 50).
- 4. The Company has accumulated losses exceeding the share capital and reserves and its net worth has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. However, the standalone financial statements have been prepared on a going concern basis considering management's assessment of the current situation and future prospects. (Refer note 47)
- 5. The Company has considered inventory value of Rs. 1,986.47 Lakhs as on 31st March, 2024 in the standalone financial statements by adopting weighted average cost method as informed to us. Since adequate information and necessary supporting evidences for the valuation were not made

available to us, as a result the impact of shortage/ excess of inventory, if any, could not be ascertained and adjusted in the books. (Refer Note no 49)

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SA's) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

### **Emphasis of Matter**

- 2) We draw attention to the following matters forming part of the notes to the standalone financial statements:
- 1. Note no. 45 regarding MOU entered into by the Company with Tribus Real Estate Pvt. Ltd (TREPL) for taking over the Company's secured bank loan, which is pending completion.
- 2. Note no. 48 regarding to the order issued by SEBI for violations of provisions of SEBI Act 1992 and SEBI regulations regarding issue of GDR.
- 3. Note no. 46 regarding Securitization & Reconstruction of Financial Assets initiated by Consortium Banks for repayment of dues Rs. 19,319.00 Lakhs as on 31st January, 2014 and have taken symbolic possession of immovable assets and filed case for physical possession. The case is pending in DRT Pune.
- 4. Note no. 53 regarding the show cause notice u/s 148A(b) of Income Tax Act, 1961 received by Company on 01st March, 2024 for AY 2020-21.
- 5. Note no. 54 regarding reversal of provisions for expenses and disclosed in the Financial Statements.

Our opinion is not modified in respect of these matters.

## **Key Audit Matters**

3) Key Audit Matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion Section, we have determined the matters described below to be the Key Audit Matters ("KAM") to be communicated in our report.

Key Audit Matter	Auditors' Response
Evaluation of income tax provision	In view of significance of matter, we applied
The Company is required to estimate its	the following audit procedures in this area,
income tax liabilities in accordance with	among others to obtain sufficient appropriate
the tax laws applicable in India. Further,	audit evidence:
there are matters of interpretation in	

terms of application of tax laws and related rules to determine current tax provision and deferred taxed.

The Company has material tax positions and litigations on a range of tax matters. This requires management to make significant judgements to determine the possible outcome of uncertain tax provisions and litigations and their consequent impact on related accounting and disclosures in the standalone financial statements.

Refer Note 34 to the Standalone Financial Statements.

- testing the design and operating effectiveness of the company's key controls over identifying uncertain tax position and matters involving litigations/disputes.
- obtaining details of tax positions and tax litigations for the year and as at 31st March 2024 and holding discussions with designated management personnel.
- assessing and analyzing select key correspondences with tax authorities and inspecting external legal opinions obtained by management for key uncertain tax positions and tax litigations.
- evaluating underlying evidence and documentation to determine whether the information provides a basis for amounts reserved / not reserved in the books of account.
- Involving our tax specialists and evaluating managements underlying key assumptions in estimating the tax provisions and estimate the possible outcome of tax litigations; and in respect of tax positions and litigation, assessing the computation of provisions and consequent impact on related accounting and disclosures in the standalone financial statements.

We verified that the income tax provisions recognized till date in the books of account and assessed that the related disclosures are given in the financial statements.

Our audit procedures related to the allowance for credit losses for trade receivables included the following, among others:

We tested the effectiveness of controls over the

- development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions
- completeness and accuracy of information used in the estimation of probability of default and
- Computation of the allowance for credit losses.

#### Allowance for credit losses

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the geographical location where it operates.

In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in

#### future.

We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.

Refer Note 57 to the Standalone financial statements.

## For a sample of customers:

We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information.

We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.

## **Investment impairment assessment**

The Company has investments in subsidiaries. These investments are accounted for at cost less impairment. If an impairment exists, the recoverable amounts of the above investment are estimated in order to determine the extent of the impairment loss, if any.

Determination of triggers for impairment in value of these investments and recoverable amount involves significant estimates and judgements.

Evaluation of impairment risk and assessing whether triggers exist for any investment based on consideration of external and internal factors affecting the value and performance of the investment.

Our audit procedures included:

- Obtained management assessment of recoverable amount for investments where impairment risk is identified.
- Evaluated the mathematical accuracy of the cash flow projection and assessed the underlying key assumptions management's valuation models used to determine recoverable amount considering external data, including assumptions of projected EBITDA, revenue growth rate, terminal growth rates, discount rates, and assessed the sensitivity of the assumptions on the impairment assessment and assessed the forecasts historical against the performance.

We assessed the appropriateness of the related disclosures in the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

4) The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Director's Report including annexures to Director's Report, Corporate Governance Report and Shareholder's Information, but does not include the Standalone Financial Statements and our Auditors' Report thereon. The above-referred information is expected to be made available to us after the date of this Auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

5) In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to date of this audit report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.

# Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements.

- 6) The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with, the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 7) In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

8) Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements,
  whether due to fraud or error, design and perform audit procedures responsive to those risks,
  and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The
  risk of not detecting a material misstatement resulting from fraud is higher than for one resulting
  from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or
  the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- 9) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act and on the basis of the examination of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 10) As required by Section 143(3) of the Act we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 10(h) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
- d. In our opinion and to the best of our information and explanation given to us, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended;
- e. On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a Qualified Opinion on the internal financial controls over financial statements of the Company for the year.
- g. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations as at 31st March 2024 on its financial position in its standalone financial statements. Refer Note 34 to the standalone financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no amount required to be transferred as on 31st March 2024, to the Investor Education and Protection Fund by the Company;

iv.

a. The Management has represented that, to the best of its knowledge and belief, no

funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company.

- b. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The company has not declared or paid any Dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended 31st March, 2024 which does not have a feature of recording audit trail (edit log) facility for all relevant transactions recorded in the software. Further, in absence of audit trail feature in the system we are unable to comment on whether the audit trail feature is being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

## Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Zenith Steel Pipes & Industries Limited (formerly known as Zenith Birla (India) Limited) of even date.)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act').

We have audited the internal financial controls with reference to standalone financial statements of **Zenith Steel Pipes & industries Limited** (formerly known as Zenith Birla (India) Limited) ('the Company') as of 31st March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

## Management's and Board of Director's Responsibilities for Internal Financial Controls.

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over Financial Reporting.

### **Meaning of Internal Financial Controls over Financial Statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that –

- i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Statements

Because of the inherent limitations of internal, financial controls with reference to financial statements, including the possibility of collusion or improper management over ride of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31st March, 2024:

- a) The Company does not have an approved delegation of authority matrix, which leads to uncertainties regarding decision-making authority and responsibility within the organization. This deficiency may result in unauthorized transactions, inefficient processes, and increased risk of errors or fraud, as there are no clearly defined parameters for approving and executing financial transactions and other significant actions.
- b) The Company does not have a Risk Control Matrix (RCM). Without a comprehensive assessment of the RCM, the company may not effectively identify, assess, or mitigate risks associated with its financial and operational processes. This oversight can impair the ability to implement appropriate controls, increasing the risk of financial misstatements, operational inefficiencies, and non-compliance with regulatory requirements.
- c) The Company does not have an appropriate internal control system for identification and allocation of overheads to inventory. This could potentially result in material misstatements in the Company's consumption, inventory and expense account balances.
- d) The Company does not have a system to obtain balance confirmations from all parties. Without periodic balance confirmations, there is an increased risk of inaccuracies in the company's financial statements. This deficiency may lead to discrepancies between the company's records and those of its external parties, potentially resulting in unidentified errors.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us, the Company has maintained, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2024 based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of 31st March, 2024.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March 2024 financial statements of the Company, and these material weaknesses do not affect our qualified opinion on the standalone financial statements of the Company.

#### Notes on Standalone financial statements for the year ended 31st March, 2024

#### Background:

Zenith Steel Pipes & Industries Limited (the Company) is a Public Limited Company incorporated in India having its registered office at Industry House, 5th Floor, 159. Churchgate Reclamation Mumbai-400 020, India. The Company is engaged in the manufacturing and selling of ERW And SAW Pipes.

#### 1. Material accounting policies

#### (A) Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other provisions of the Act to the extent notified and applicable.

#### (B) Basis of preparation of financial statements

These financial statements have been prepared on the historical cost basis, except for certain assets and liabilities which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The statement of financial position (including statement of changes in equity) and the statement of profit and loss are prepared and presented in the format prescribed in Division II of Schedule III to the Companies Act, 2013. The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 "Cash Flow Statements". The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out under Ind AS and in the Schedule III to the Act. Based on the nature of the services and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency. All amounts have been rounded off to the nearest lakhs unless otherwise indicated. Per share data are presented in Indian Rupees.

#### (C) Key Accounting Estimate and Judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at date of financial statements and reported statement of income and expense for the period presented. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Estimates & underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Detailed information about each of these estimates and judgements is included in relevant notes together with the information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements pertaining to revenue recognition, investments, useful life of property, plant and equipment including intangible asset, current tax expense and tax provisions, recognition of deferred tax assets and Provisions and contingent liabilities. Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Impairment of Investments: The Company reviews its carrying value of investments in subsidiaries and other entities at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Taxes: The Company provides for tax considering the applicable tax regulations and based on probable estimates

The recognition of deferred tax assets is based on estimate of sufficient taxable profits in the Company against which such assets can be utilized

Provisions and contingent liabilities: Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Fair Value Measurements: When the fair value of the financial assets or financial liabilities recorded or disclosed in the Financial Statements cannot be measured at quoted price in the active markets, their fair value is measured using the valuation techniques. The input to these valuation techniques are taken from observable markets, where possible, but where these is not feasible, a degree of judgment is required in establishing fair values.

Leases: The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

#### (D) Revenue Recognition

Revenue is recognized on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, rebates, outgoing taxes on sales of goods or services.

Revenue is measured at the fair value of consideration received or receivable for the goods supplied and services rendered, net of returns, discounts and incentives to customers. Revenue excludes amount collected on behalf of third parties viz. Goods and Service Tax (GST).

Revenue from contract with customer are recognised when goods are dispatched and the control over the goods sold are transferred to customers.

Revenue from turnkey contracts having performance obligation to be fulfilled over the time are recognised measuring the progress towards complete satisfaction of that performance obligation. The Company measures the progress using the Output method. Costs to fulfill a contract which is directly related to a contract or to an anticipated contract, generates or enhance resources of the Company that will be used in satisfying performance obligations in the future and expected to be recovered are recognised as an Asset.

Export sales are accounted based on the dates of Bill of Lading.

Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of significant uncertainties.

#### (E) Property, Plant and Equipment:

All items of property, plant and equipment are stated at cost less accmulated depreciation and impairment losses if any. Cost includes expenditure that is directly attributable to the acquisition of the assets and cost incurred for bringing the assets to its present location and condition for its intended use.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and are stated at cost.

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Types of Assets	Life of Assets
Buildings	30 Years
Plant & Machinery	15 Years
Furniture & Fixtures	10 Years
Vehicles	8 Years
Office Equipments	5 Years
Computer	3 Years
Leasehold Land	Amortized over the period of lease

The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

The residual values, useful lives and method of depreciation of PPE is reviewed at each financial year end and adjusted prospectively, if appropriate.

#### (F) Intangible Assets:

Separately purchased intangible assets are initially measured at cost. Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. The useful lives of intangible assets are assessed as either finite or indefinite. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues, if not, it is impaired or changed prospectively basis revised estimates.

Finite-life intangible assets are amortised on a straight line basis over the period of their expected useful lives. The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. The estimated useful lives of the Computer Software, for the current and comparative periods is 3 years.

#### (G) Impairment of Assets:

### Impairment of non-financial assets -

Non-financial assets are tested annually for impairment or more frequently if events or changes in circumstances indicate that they may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/ reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use.

Impairment of financial assets 
The Company recognise loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit and loss. Loss allowance for the trade receivables with no significant financing component is measured at amount equal to life time ECL. For all other financial assets. ECLs are measured at an amount equal to the 12 month ECL, unless there has been significant increase in credit risk from initial recognisation in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit and loss.

#### (H) Inventories:

(ii) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.

- (iii) Goods / Materials in Transit are valued at cost to date
- (III) Scrap is valued at its estimated realizable value.
- (Iv) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

#### (I) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Net exchange gain or loss resulting in respect of foreign exchange transactions settled during the year is recognized in the Statement of Profit and Loss.

Monetary assets and liabilities in foreign currency which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss in the year in which they arise.

Non-monetary foreign currency items are carried at cost.

#### (J) Employee Benefits:

### (i) Short-term obligations:

Employee benefits payable wholly within twelve months of availing employee service are classified as short-term employee benefits. This benefits includes salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange of employees services are recognised in the period in which the employee renders the related service.

#### (ii) Other long-term employee benefit obligations:

The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

#### (iii) Post-employment obligations:

Defined contribution plans: A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards Provident Fund and Employees State Insurance Corporation (ESIC'). The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which employee renders the related service.

#### Defined benefit plans:

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Gredit Melhod, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future each flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the Balance Sheet date.

When the calculation results in a benefit to the Company, the recognised asset is limited to the net total of any unrecognised actuarial losses and past service costs and the present value of any future refunds from the plan or reductions in future contributions to the plan.

#### (K) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign exchange forward contracts.

Financial assets and fiabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value through profit or loss) are added to or deducted from the fair value through profit or loss at fair value through profit or loss are recognised in profit or loss.

#### (i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (III) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at FVTPL unless they are measured at amortised cost or at FVTOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in the statement of profit and loss.

#### (iv) Investment in subsidiaries, associates and joint venture

Investments in Subsidiaries, Associates and Joint Venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

#### OR

The Company assesses investments in subsidiaries for impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the investment in subsidiary. The recoverable amount of such investment is the higher of its fair value less cost of disposal (FVLCO) and its value-in-use (VIU') The VIU of the investment is calculated using projected tuture cash flows. If the recoverable amount of the investment is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Frofit and Loss as finance cost. Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

The Company derecognizes a financial liability (or a part of a financial liability) from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

#### (L) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing oosts.

Income tax expense for the year comprises of ourrent tax and deferred tax, Income Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity, in which case, the tax is also recognised in other comprehensive income or equity. Foreign branches recognize current tax and deferred tax flat-littles and assets in accordance with the applicable

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Cheet date, and any adjustment to taxes in respect of previous years. Management periodically evaluates positions taken in tax return with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purpose and the corresponding tax base used for computation of taxable income.

A deferred tax Assets/ liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that if is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity).

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Company uses estimates and judgements based on the relevant rulings in the areas of allowances and disallowances which are exercised determining the provision for income tax.

#### (N) Leases:

#### The Company as a lessee.

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restricted.

The Company's lease asset classes primarily consist of leases for Land and Buildings and Plant & Machinery. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has the right to obtain substantially all of the economic benefits from use of the lease through the period of the lease and (iii) the Company has the right to direct the use of the asset.
- (iv) the Company has the right to operate the asset; or
- (v) the Company designed the assets in a way that predetermined how and for what purpose it will be used.

#### The Company as a lessor

Leases under which the Company is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases.

For leases under which the Company is an intermediate lessor, the Company accounts for the head-lease and the sub-lease as two separate contracts. The sub-lease is further classified either as a finance lease or an operating lease by reference to the RoU asset arising from the head-lease.

#### (O) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserve.

The Company has availed mandatory exemption under Ind AS 101 and accordingly, there is no change in accounting treatment on the amount carried forward on the date of transition for sales tax deferral loan / incentive.

#### (P) Assets Held for Sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as " when all the following criteria are met: (i) decision has been made to sell, (ii) the assets are available for immediate sale in its present condition, (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

#### (Q) Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed of or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

#### (R) Earnings per share (EPS)

In determining Earnings per Share, the Company considers net profit after tax attributable to equity shareholders and includes post tax effect of any exceptional item. Number of shares used in computing basic earnings per share is the weighted average number of the shares outstanding during the period. Dilutive earning per share is computed and disclosed after adjusting effect of all dilutive potential equity shares, if any, except when result will be anti - dilutive. Dilutive potential equity Shares are deemed converted as at the beginning of the period, unless issued at a later date.

## (S) Provisions, Contingent Liabilities and Contingent Assets:

The Company creates a provision where there is present obligation as a result of a past event that probably requires an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are disclosed only when an inflow of economic benefit is probable.

#### (T) Cash and cash equivalents

Cash and cash equivalents comprise cash and deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

#### (U) Measurement of Fair value of financial instruments

The Company's accounting policies and disclosures require measurement of fair values for the financial instruments. The Company has an established control framework with respect to measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including level in fair value hierarchy in which such valuations should be classified. When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If inputs used to measure fair value of an asset or a liability fall into different levels of fair value hierarchy, then fair value measurement is categorised in its entirety in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of fair value hierarchy at the end of the reporting period during which the change has occurred.

#### 56. Fair values of financial assets and financial liabilities:

(i) Valuation All financial instruments are initially recognized and subsequently re-measured at fair value as described below: The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale. The fair value of investment in quoted Equity Shares, Bonds, Government Securities, Treasury Bills and Mutual Funds is measured at quoted price or NAV. The fair value of the remaining financial instruments is determined using discounted cash flow analysis. The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. The carrying values of the financial instruments by categories were as follows:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

'Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

\*Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

'Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

# 57. Financial risk management objectives and policies:

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

#### (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk; interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

#### (i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

#### (ii) Foreign currency risk:

The Company is exposed to foreign currency risk arising mainly on borrowing, export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

Foreign currency exposure that are not hedged by forward contracts as at 31st March, 2024.

Other Receivables	15765488.29*	15765488.29 *

Full provision for doubtful advance has been made against this amount

#### (B) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The Company does not foresee any credit risks on deposits with regulatory authorities.

#### (C) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The table below analyse the company's financial liabilities into relevant maturities based on their contratual maturities for:

# Report on the Audit of the Consolidated Financial Statements

# **Qualified Opinion**

We have audited the accompanying consolidated financial statements of **Zenith Steel Pipes & Industries Limited** (formerly known as Zenith Birla (India) Limited) ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together to be referred to as 'the Group'), which comprise the consolidated Balance Sheet as at 31<sup>st</sup> March 2024, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information (herein after referred to as "the Consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, subject to the effect of the matters described in the Basis for Qualified opinion paragraph below and based on the consideration of management certified financial statements and on the other financial information of the subsidiaries the aforesaid consolidated financial statements give the information required by the Companies Act,2013 ("the Act") in the manner so required and give true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2024, the consolidated loss (including consolidated total comprehensive loss), consolidated changes in equity and its consolidated cash flows for the year then ended.

# **Basis for Qualified Opinion**

- 1. The Company has not complied with the provisions of section 74 or any other relevant provision of the Act, and the Companies (Acceptance of Deposits) Rules, 2014 with regard to non-repayment of deposits and interest, on due date, maintenance of liquid assets to the extent required as well as has not complied fully with the orders passed by the Company Law Board.
- 2. With reference to Note No 44 regarding the balance of Trade Payables, Trade Receivables, Loans, Advances, Deposits, intergroup, current liabilities, borrowing from others etc. being not confirmed by the parties due to pending reconciliation the management has not sent direct confirmations to parties and hence our inability to state whether these balances are recoverable /payable to the extent stated.
- 3. The Company has made provision of Rs. 43.52 Lakhs in respect of certain current accounts maintained with banks, which have been frozen by regulatory authorities for which bank statements is not provided to us. We are unable to comment on its impact, if any, on the books of accounts. (Refer Note No. 51)

- 4. The Company has accumulated losses exceeding the share capital and reserves and its net worth has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. However, the consolidated financial statements have been prepared on a going concern basis considering management's assessment of the current situation and future prospects. (Refer Note No. 48)
- 5. As informed to us, the Company has considered inventory value of Rs. 1,986.47 Lakhs as on 31st March, 2024 in the consolidated financial statements by adopting weighted average cost method. Since adequate information and necessary supporting evidences for the valuation were not made available to us, the impact of shortage/ excess in inventory, if any, could not be ascertained and adjusted in the books. (Refer Note No.50)
- 6. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent to the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Emphasis of Matter**

We draw attention to the following matters forming part of the notes to the consolidated financial statements:

- 1) Note No. 46 regarding MOU entered into by the Company with Tribus Real Estate Pvt Ltd (TREPL) for taking over the Company's secured bank loan, pending completion of the process.
- 2) Note No. 49 regarding to the order issued by SEBI for violations of provisions of SEBI Act 1992 and SEBI regulations regarding issue of GDR.
- 3) Note No. 47 of the consolidated financial statements, regarding action taken by Consortium of Banks under Securitization & Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 for repayment of dues amounting Rs. 19,319.00 lakhs as on 31st January, 2014 and have taken symbolic possession of immovable assets and filed case for physical possession of discontinued unit at Khopoli and the case is pending in DRT, Pune.
- 4) Note No. 54 regarding the show cause notice u/s 148A(b) of Income Tax Act, 1961 received by Holding Company on 01st March, 2024 for AY 2020-21.
- 5) Note No. 55 regarding reversal of provisions for expenses and it's disclosure in the Consolidated Financial Statement.

Our opinion is not modified in respect of these matters.

# **Key Audit Matters**

Key Audit Matters ("KAM") are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current audit period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion Section, we have determined the matters described below to be the Key Audit Matters ("KAM") to be communicated in our

# **Key Audit Matter**

# Evaluation of income tax provision

The Company is required to estimate its income tax liabilities in accordance with the tax laws applicable in India. Further, there are matters of interpretation in terms of application of tax laws and related rules to determine current tax provision and deferred taxed.

The Company has material tax positions and litigations on a range of tax matters. This requires management to make significant judgements to determine the possible outcome of uncertain tax provisions and litigations and their consequent impact on related accounting and disclosures in the consolidated financial statements.

Refer Note No. 34 to the consolidated Financial Statements.

# **Auditors' Response**

In view of significance of matter, we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

- testing the design and operating effectiveness of the company's key controls over identifying uncertain tax position and matters involving litigations/disputes.
- obtaining details of tax positions and tax litigations for the year and as at 31st March 2024 and holding discussions with designated management personnel.
- assessing and analysing select key correspondences with tax authorities and inspecting external legal opinions obtained by management for key uncertain tax positions and tax litigations.
- evaluating underlying evidence and documentation to determine whether the information provides a basis for amounts reserved / not reserved in the books of account.
- Involving our tax specialists and evaluating managements underlying key assumptions in estimating the tax provisions and estimate the possible outcome of tax litigations; and in respect of tax positions and litigation, assessing the computation of provisions and consequent impact on related accounting and disclosures in the consolidated financial statements.

We verified that the income tax provisions recognised till date in the books of account and assessed that the related disclosures are given in the financial statements.

# Allowance for credit losses Our audit procedures related to the allowance for credit losses for trade receivables included the

credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Group considered current and anticipated future economic conditions relating to industries the group deals with and the

We tested the effectiveness of controls over the

following, among others:

 development of the methodology for the allowance for credit losses, including

geographical location where it operates.

In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future.

We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.

Refer Note No. 58 to the consolidated financial statements.

- consideration of the current and estimated future economic conditions
- completeness and accuracy of information used in the estimation of probability of default and
- Computation of the allowance for credit losses.

For a sample of customers:

We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information.

We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.

# Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Director's Report including annexures to Director's Report, and Corporate Governance Report, but does not include the consolidated financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this Auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to date of this audit report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions if required.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements.

The Holding Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial

position, consolidated financial performance (including consolidated other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective management and Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group, for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by management and directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective management and Board of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

# Auditor's Responsibilities for the Audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

The description of the auditor's responsibilities for the audit of the consolidated financial statements is given in "Appendix I" to this report.

## Other Matters

a. The consolidated financial statements include the unaudited financial statements of two wholly owned subsidiaries (Zenith USA and Zenith Middle East), whose financial statements / financial information reflect Group's share of total assets of Rs. 354.96 lakhs as at 31st March 2024, Group's share of total revenue of Rs. Nil, Group's share of total net profit after tax of Rs. (2.44) lakhs and Group's share of net cash inflows of Rs. Nil for the year ended on that date, as considered in the consolidated financial statements. These unaudited financial statements / financial information have been prepared by the management based on the financial statements as approved by the respective Board of Directors of these subsidiaries companies which have been furnished to us by the management and Board of Directors and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited financial statements/financial results/financial information.

Of the aforesaid subsidiaries, their financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries of incorporation. The Holding Company's management has converted the financial statements of these subsidiaries entities, located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. These financial statements are prepared from Ind AS converted financial statements certified by management. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements / financial results / financial information are material to the Group.

Our opinion on the consolidated financial statements is not modified in respect of the above matters, inter-alia with respect to our reliance on work done and the unaudited financial statements / financial information approved by the Board of Directors.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit and on consideration of reports of other auditors on separate financial statements and the other financial information of subsidiaries as noted in sub-paragraph (a) of 'Other Matters' paragraph, we report that:
  - a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books of accounts of the Holding Company except for the matters stated in paragraph 10(h) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
  - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended;
  - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2024 taken on record by the Board of Directors of the Holding Company, none of the directors of group company incorporated in India, are disqualified as on 31st March, 2024 from being appointed as a director of that company in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, subsidiary companies incorporated outside India and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A' which is based on the auditors' report on the Holding Company and its subsidiary companies. Based on these reports, our report expresses a qualified opinion on the existence and operating effectiveness of the Group's internal financial control with reference to consolidated financial statements;
  - g. In our opinion and to the best of our information and according to the explanations given to

us, the remuneration paid by the holding company, to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statement of the subsidiaries as notes in the "Other Matter" paragraph:
  - The Holding Company and its subsidiary companies included in the consolidation has disclosed the impact of pending litigations as at 31st March 2024 on its financial position in its consolidated financial statements (Refer Note No. 34 to the consolidated financial statements)
  - ii) The Holding Company and its subsidiary companies included in the consolidation, did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii) No amounts are required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies included in the consolidation;
  - iv) a. The respective Management of the Company and its subsidiaries which are incorporated in India whose financial statement have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b. The Management of the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented, that, to the best of its knowledge and belief, no funds have been received by the Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - c. Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - v) No Dividend has been declared or paid during the year by the group.
  - vi) Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended 31st March, 2024 which does not have a feature of recording audit trail (edit log) facility for all

relevant transactions recorded in the software. Further, in absence of audit trail feature in the system we are unable to comment on whether the audit trail feature is being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us and in respect of companies included in the consolidated financial statements provided to us by the Management of the holding company, we report that in respect of those companies which are not incorporated in India reporting under section 143 of the Act is not applicable.

# APPENDIX - I : THE FURTHER DESCRIPTION OF THE AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that,

individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## ANNEXURE - A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Zenith Steel Pipes & Industries Limited of even date.)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the Consolidated Financial Statements of Zenith Steel Pipes and Industries Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31st March, 2024, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company, as of that date.

# Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, are responsible for establishing and maintaining internal financial controls based on the internal control over Financial Reporting with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

# **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether existence of internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the existence of the internal financial controls system with reference to the consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

# Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that-

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

## Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

# **Qualified Opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31st March, 2024:

- a) The Holding Company does not have an approved delegation of authority matrix, which leads to uncertainties regarding decision-making authority and responsibility within the organization. This deficiency may result in unauthorized transactions, inefficient processes, and increased risk of errors or fraud, as there are no clearly defined parameters for approving and executing financial transactions and other significant actions.
- b) The Holding Company does not have a Risk Control Matrix (RCM). Without a comprehensive assessment of the RCM, the company may not effectively identify, assess, or mitigate risks associated with its financial and operational processes. This oversight can impair the ability to implement appropriate controls, increasing the risk of financial misstatements, operational inefficiencies, and non-compliance with regulatory requirements.
- c) The Holding Company does not have an appropriate internal control system for identification and allocation of overheads to inventory. This could potentially result in material misstatements in the Company's consumption, inventory and expense account balances.
- d) The Holding Company does not have a system to obtain balance confirmations from all parties. Without periodic balance confirmations, there is an increased risk of inaccuracies in the company's financial statements. This deficiency may lead to discrepancies between the company's records and those of its external parties, potentially resulting in unidentified

errors.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the holding company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has maintained, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2024 based on the internal financial control with reference to financial statements—criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the holding Company's internal financial controls over financial reporting were operating effectively as of 31st March, 2024.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March 2024 financial statements of the Company, and these material weaknesses do not affect our qualified opinion on the consolidated financial statements of the Company.

# Notes on Consolidated financial statements for the year ended 31st March, 2024

#### Background:

Zenith Steel Pipes & Industries Limited (the Company) is a Public Limited Company incorporated in India having its registered office at Industry House, 5th Floor, 159, Churchgate Reclamation Mumbai-400 020, India. The Company is engaged in the manufacturing and selling of ERW And SAW Pipes.

#### 1. Material accounting policies

#### (A) Statement of Compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other provisions of the Act to the extent notified and applicable.

#### (B) Basis of preparation of financial statements

These financial statements have been prepared on the historical cost basis, except for certain assets and liabilities which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The statement of financial position (including statement of changes in equity) and the statement of profit and loss are prepared and presented in the format prescribed in Division II of Schedule III to the Companies Act, 2013. The cash flow statement has been prepared and presented as per the requirements of Ind AS 7 "Cash Flow Statements". The disclosure requirements with respect to items in the balance sheet and statement of profit and loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out under Ind AS and in the Schedule III to the Act. Based on the nature of the services and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency. All amounts have been rounded off to the nearest lakhs unless otherwise indicated. Per share data are presented in Indian Rupees.

#### (C) Key Accounting Estimate and Judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at date of financial statements and reported statement of income and expense for the period presented. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Estimates & underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Detailed information about each of these estimates and judgements is included in relevant notes together with the information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements pertaining to revenue recognition, investments, useful life of property, plant and equipment including intangible asset, current tax expense and tax provisions, recognition of deferred tax assets and Provisions and contingent liabilities. Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Impairment of Investments: The Company reviews its carrying value of investments in subsidiaries and other entities a cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Taxes: The Company provides for tax considering the applicable tax regulations and based on probable estimates.

The recognition of deferred tax assets is based on estimate of sufficient taxable profits in the Company against which such assets can be utilized.

Provisions and contingent liabilities: Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions and contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Fair Value Measurements: When the fair value of the financial assets or financial liabilities recorded or disclosed in the Financial Statements cannot be measured at quoted price in the active markets, their fair value is measured using the valuation techniques. The input to these valuation techniques are taken from observable markets, where possible, but where these is not feasible, a degree of judgment is required in establishing fair values.

Leases: The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

#### (D) Revenue Recognition

Revenue is recognized on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, rebates, outgoing taxes on sales of goods or services.

Revenue is measured at the fair value of consideration received or receivable for the goods supplied and services rendered, net of returns, discounts and incentives to customers. Revenue excludes amount collected on behalf of third parties viz. Goods and Service Tax (GST).

Revenue from contract with customer are recognised when goods are dispatched and the control over the goods sold are transferred to customers

Revenue from turnkey contracts having performance obligation to be fulfilled over the time are recognised measuring the progress towards complete satisfaction of that performance obligation. The Company measures the progress using the Output method. Costs to fulfill a contract which is directly related to a contract or to an anticipated contract, generates or enhance resources of the Company that will be used in satisfying performance obligations in the future and expected to be recovered are recognised as an Asset.

Variable consideration includes discounts and incentives provided to the customers. It is estimated at contract inception considering the terms of contract with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period

Export sales are accounted based on the dates of Bill of Lading.

Interest Income is accrued on time proportion basis over the period of loan / deposit / investment except in case of

#### (E) Property, Plant and Equipment:

All items of property, plant and equipment are stated at cost less accomulated depreciation and impairment losses if any. Cost includes expenditure that is directly attributable to the acquisition of the assets and cost incurred for bringing the assets to its present location and condition for its intended use.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and are stated at cost.

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act. 2013.

Types of Assets
Buildings
Plant & Machinery
Furniture & Fixtures
Vehicles
Office Equipments
Computer
Leasehold Land

The useful lives have been determined based on technical evaluation done by the management's expert in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

e residual values, useful lives and method of depreciation of PPE is reviewed at each financial year end and adjusted prospectively, if appropriate.

#### (F) Intangible Assets:

Separately purchased intangible assets are initially measured at cost. Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. The useful lives of intangible assets are assessed as either finite or indefinite. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues, if not, it is impaired or changed prospectively basis revised estimates

Finite-life intangible assets are amortised on a straight line basis over the period of their expected useful lives. The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. The estimated useful lives of the Computer Software for the current and comparative periods is 3 years.

#### (G) Impairment of Assets:

#### Impairment of non-financial assets -

Impairment of non-financial assets 
Non-financial assets are tested annually for impairment or more frequently if events or changes in circumstances indicate that they may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is increased/reversed where there has been change in the estimate of recoverable value. The recoverable value is the higher of the assets' net selling price and value in use

### Impairment of financial assets -

The Company recognise loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit and loss. Loss allowance for the trade receivables with no significant financing component is measured at amount equal to life time ECL. For all other financial assets, ECLs are measured at an amount equal to the 12 month ECL, unless there has been significant increase in credit risk from initial recognisation in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit and loss

#### (H) Inventories:

(i) Raw Materials and components, semi-finished goods, finished goods, stores and spares, goods for trade are valued at cost or net realizable value whichever is lower. Cost formula used is weighted average cost. Cost comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to its present location and condition.

(ii) Goods / Materials in Transit are valued at cost to date.
(iii) Scrap is valued at its estimated realizable value.

(iv) Adequate provisions are made for obsolete inventory based on technical estimates made by the Company.

#### (I) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Net exchange gain or loss resulting in respect of foreign exchange transactions settled during the year is recognized in the Statement of Profit and Loss.

#### (J) Employee Benefits:

#### (i) Short-term obligations:

Employee benefits payable wholly within twelve months of availing employee service are classified as short-term employee benefits. This benefits includes salaries and wages, bonus and ex- gratia. The undiscounted amount of short-term employee benefits to be paid in exchange of employees services are recognised in the period in which the employee renders the related service.

#### (ii) Other long-term employee benefit obligations:

(ii) Other long-term employee benefit obligations:
The liabilities for earned leave are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss

# (iii) Post-employment obligations:

(III) Post-employment obligations:

Defined contribution plans: A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards Provident Fund and Employees State Insurance Corporation ('ESIC'). The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which employee renders the related service.

#### Defined benefit plans:

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the Balance Sheet date.

When the calculation results in a benefit to the Company, the recognised asset is limited to the net total of any unrecognised actuarial losses and past service costs and the present value of any future refunds from the plan or reductions in future contributions to the plan.

Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

Remeasurement which comprise of actuarial gain and losses, the return of plan assets (excluding interest) and the effect of asset ceiling (if any, excluding interest) are recognised in OCI. Plan Assets of Defined Benefit Plans have been measured at fair value

#### (K) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign exchange forward contracts.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

# (i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

#### (ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# (iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at FVTPL unless they are measured at amortised cost or at FVTOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in the statement of profit and loss.

#### (iv) Investment in subsidiaries, associates and joint venture

Investments in Subsidiaries, Associates and Joint Venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and

The Company assesses investments in subsidiaries for impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the Companiestimates the recoverable amount of the investment in subsidiary. The recoverable amount of such investment is the higher of its fair value less cost of disposal ("FVLCD") and its value-in-use ("VIU"). The VIU of the investment is calculated using projected future cash flows. If the recoverable amount of the investment is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

#### (v) Financial liabilities

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### (L) Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### (M) Taxation:

Income tax expense for the year comprises of current tax and deferred tax. Income Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity. Foreign branches recognize current tax and deferred tax liabilities and assets in accordance with the applicable local laws.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Management periodically evaluates positions taken in tax return with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding tax base used for computation of taxable Income.

A deferred tax Assets/ liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity).

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

The Company uses estimates and judgements based on the relevant rulings in the areas of allowances and disallowances which are exercised while determining the provision for income tax

#### (N) Leases:

#### The Company as a lessee

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restated.

The Company's lease asset classes primarily consist of leases for Land and Buildings and Plant & Machinery. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has the right to obtain substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.
- (iv) the Company has the right to operate the asset; or
- (v) the Company designed the assets in a way that predetermined how and for what purpose it will be used.

#### The Company as a lessor

Leases under which the Company is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases.

For leases under which the Company is an intermediate lessor, the Company accounts for the head-lease and the sublease as two separate contracts. The sub-lease is further classified either as a finance lease or an operating lease by reference to the RoU asset arising from the head-lease.

## (O) Government Grant/Loan:

Capital grants for project capital subsidy are credited to capital reserve.

The Company has availed mandatory exemption under Ind AS 101 and accordingly, there is no change in accounting treatment on the amount carried forward on the date of transition for sales tax deferral loan / incentive.

# (P) Assets Held for Sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as " when all the following criteria are met: (i) decision has been made to sell, (ii) the assets are available for immediate sale in its present condition, (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs to sell, Non-current assets held for sale are not depreciated or amortised.

#### (Q) Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed of or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

(Re in Lakhe)

#### (R) Earnings per share (EPS)

(R) Barnings per share (EPS)
In determining Earnings per Share, the Company considers net profit after tax attributable to equity shareholders and includes post tax effect of any exceptional item. Number of shares used in computing basic earnings per share is the weighted average number of the shares outstanding during the period. Dilutive earning per share is computed and disclosed after adjusting effect of all dilutive potential equity shares, if any, except when result will be anti-dilutive. Dilutive potential equity Shares are deemed converted as at the beginning of the period, unless issued at a later date.

#### (S) Provisions, Contingent Liabilities and Contingent Assets:

The Company creates a provision where there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible of a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are disclosed only when an inflow of economic benefit

#### (T) Cash and cash equivalents

Cash and cash equivalents comprise cash and deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily vertible to known amounts of cash to be cash equivalents.

#### (U) Measurement of Fair value of financial instruments

(U) Measurement of Fair Value of financial instruments. The Company's accounting policies and disclosures require measurement of fair values for the financial instruments. The Company has an established control framework with respect to measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including level in the fair value hierarchy in which such valuations should be classified. When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly

(i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If inputs used to measure fair value of an asset or a liability fall into different levels of fair value hierarchy, then fair value measurement is categorised in its entirety in the same level of fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of fair value hierarchy at the end of the reporting period during which the change has occurred.

#### 57. Fair values of financial assets and financial liabilities:

(i) Valuation All financial instruments are initially recognized and subsequently re-measured at fair value as described below: The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between the willing parties, other than in a forced or liquidation sale. The fair value of investment in quoted Equity Shares. Bonds, Government Securities. Treasury Bills and Mutual Funds is measured at quoted price or NAV. The fair value of the remaining financial instruments are determined using discounted cash flow analysis. The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. The carrying values of the financial instruments by categories were as follows:

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

"Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

"Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

"Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

# 58. Financial risk management objectives and policies:

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

#### (A) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

#### (i) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

#### (ii) Foreign currency risk:

* Full provision for doubtful advance has been made against this amount	-	

#### (B) Credit risk;

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument falls to meet its contractual obligations. Credit risk arises principally from the statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts require to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The Company does not foresee any credit risks on deposits with regulatory authorities.

#### (C) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.
