confirmation. The management has not sent direct balance confirmations to the respective parties, citing pending reconciliations. In the absence of such confirmation and reconciliations, we are unable to obtain sufficient appropriate audit evidence to verify the accuracy, completeness, and recoverability/payability of these balances as at the reporting date. Consequently, we are unable to determine whether any adjustments are required in respect of the stated balances in the accompanying standalone financial results.

3. With reference to Note No. 7 to the standalone financial results, the Company has made a provision of Rs.41.07 lakhs in respect of certain current bank accounts which have been frozen by regulatory authorities. In the absence of relevant bank statements and year-end balance confirmations for these accounts, we were unable to obtain sufficient appropriate audit evidence to verify the completeness and accuracy of the balances reported in respect of these accounts. Accordingly, we are unable to determine whether any adjustments may be required to the carrying amount of these balances and the related impact, if any, on the standalone financial results for the year ended 31/03/2026.
4. We draw attention to Note No. 13 to the standalone financial results, which states that the Company has incurred significant accumulated losses exceeding its share capital and reserves, and its net worth has been fully eroded as at 31/03/2026. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the standalone financial results have been prepared on a going concern basis based on the reasons stated by the management in the said note. In our opinion, the material uncertainty exists, and accordingly, the use of the going concern basis of accounting in the preparation of the standalone financial results is not adequately supported.
5. We draw attention to Note No. 11 to the standalone financial results, which states that the Company has valued its inventories at Rs.594.51 lakhs as at 31/03/2026 using the weighted average cost method. However, we were not provided with adequate information and necessary supporting documentation to verify the basis of valuation, including evidence supporting the quantities, condition, and cost allocation of inventories. Accordingly, we are unable to determine whether any adjustments are necessary in respect of the carrying amount of inventories stated in the standalone financial results. The consequent impact, if any, on the profit/loss and financial position for the year ended 31/03/2026 is also not ascertainable.

**b. Type of Audit Qualification:** Qualified/ Disclaimer of Opinion/ Adverse Opinion

**c. Frequency of Qualification**

Qualification no. 1 to 5 is repetitive.

**d. For Audit Qualification(s) where the impact is not quantified by the auditor:**

**(i) Management's estimation on the impact of audit qualification**

## ZENITH STEEL PIPES & INDUSTRIES LIMITED

(ii) If management is unable to estimate the impact, reasons for the same:

**For qualification on non-compliance of section 74(2) of the Companies Act, 2013:**

The company has taken action on priority to clear the dues of deposit holders who are incapacitated and to comply with the orders of existing authorities. For the rest, the company has already started the process of settling their dues through sale proceeds of the assets sold by MPID court of the other Company who has given NOC for using the amount towards repayment of the Fixed Deposits of the Zenith Birla (India) Limited and during the year the Company has paid Rs.4.25 lakhs to deposit holder with interest and balance will try to complete it in subsequent financial years.

**For qualification on balances of Trade Payables, Trade Receivables, Loans & Advances, Deposits, Borrowings to Others etc:**

Reconciliation of balances of Trade Payables, Trade Receivables, Loans & Advances, Deposits, Borrowings to Others and other parties are an ongoing basis and the figures would be ascertained only when the reconciliations are finalised. Hence at this stage, impact of the same is not ascertainable. Company ensures to pay all MSME's within the stipulated credit period except in case of parties where there are certain claims/legal issues. Company is of the view that interest on such outstanding being disputed is not payable and hence not determined on such outstanding.

**For qualification on accounting on going concern basis:**

On account of strategic understanding with suppliers/ customers, which is continuing, the Company is on revival mode and is operating some of its units. In view of the same going concern concept holds good.

**For qualification on current Bank accounts:**

The Company has made full provision to the extent it is on knowledge of the same and do not expect any further provision to be made and will ensure to make provision if it comes to its knowledge

**For qualification on valuation of Inventory:**

Currently the Company is calculating the inventory value based on variable cost incurred for the quarter and work in progress is based on work completed. Accordingly, valuation of inventories has been arrived and according to the management they represent a fair value.

**iii) Auditors' Comments on (i) to (iv) above**

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of standalone financial statements on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

II	<b>Audit Qualification (each audit qualification Separately):</b>			
	<b>a. Details of Audit Qualification:</b>			
	1) With reference to Note No.20 of the consolidated financial results, The Holding Company has not complied with the provisions of Section 74 and other applicable provisions of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 with respect to the, (a) Non-repayment of public deposits and the interest thereon on the respective due dates, (b) Non-maintenance of prescribed liquid assets to the extent required under the said Rules, and (c) Non-compliance with the orders passed by the Company Law Board (CLB) in connection with the above matters.			
	In our opinion, these constitute a material non-compliance with the provisions of the Act and may result in regulatory implications for the Holding Company. Had the Holding Company complied with the aforesaid provisions, the reported liabilities, interest obligations, and disclosures in the financial statements would have been different.			
	2) With reference to Note No.15 of the consolidated financial results, balances relating to Trade Payables, Trade Receivables, Loans, Advances, Deposits, intergroup balances, Current Liabilities, Borrowings from others, etc., are subject to reconciliation and confirmation. The management has not sent direct balance confirmations to the respective parties, citing pending reconciliations. In the absence of such confirmations and reconciliations, we are unable to obtain sufficient appropriate audit evidence to verify the accuracy, completeness, and recoverability/payability of these balances as at the reporting date. Consequently, we are unable to determine whether any adjustments are required in respect of the stated balances.

in the accompanying financial results.

- 3) With reference to Note No.7 to the consolidated financial results, the Group has made a provision of Rs.41.07 lakhs in respect of certain current bank accounts which have been frozen by regulatory authorities. In the absence of relevant bank statements and year-end balance confirmations for these accounts, we were unable to obtain sufficient appropriate audit evidence to verify the completeness and accuracy of the balances reported in respect of these accounts. Accordingly, we are unable to determine whether any adjustments may be required to the carrying amount of these balances and the related impact, if any, on the financial results for the year ended 31/03/2026.
- 4) We draw attention to Note No.16 to the consolidated financial results, which states that the Group has incurred significant accumulated losses exceeding its share capital and reserves, and its net worth has been fully eroded as at 31/03/2026. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern. However, the financial results have been prepared on a going concern basis based on the reasons stated by the management in the said note. In our opinion, the material uncertainty exists, and accordingly, the use of the going concern basis of accounting in the preparation of the financial results is not adequately supported.
- 5) We draw attention to Note No.14 to the consolidated financial results, which states that the Group has valued its inventories at Rs.594.51 lakhs as at 31/03/2026 using the weighted average cost method. However, we were not provided with adequate information and necessary supporting documentation to verify the basis of valuation, including evidence supporting the quantities, condition, and cost allocation of inventories. Accordingly, we are unable to determine whether any adjustments are necessary in respect of the carrying amount of inventories stated in the consolidated financial results. The consequent impact, if any, on the Profit/loss and financial position for the year ended 31/03/2026 is also not ascertainable.

**b. Type of Audit Qualification:** Qualified/ Disclaimer of Opinion/ Adverse Opinion

**c. Frequency of Qualification**

Qualification no. 1 to 5 is repetitive.

**d. For Audit Qualification(s) where the impact is not quantified by the auditor:**

Company is of the view that interest on such outstanding being disputed is not payable and hence not determined on such outstanding.

#### 5. Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

# DEVAM & ASSOCIATES LLP

Chartered Accountants

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated financial statements on whether the group have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
